WORK EXPERIENCE

Alphatech Hub Integrated Services Ltd.   **Abuja Nigeria**
Frontend Dev, Intern   **July 2022 – September 2022**

- Worked on a commissioned betting dashboard using react, learning the component based systems and how to effectively make responsive websites with CSS.
- Created a landing page for the same company, learning how to take images and styles from figma and applying them to the project.
- Created a terms and conditions page for the same company, filling out the information by adding data from a server endpoint.

Alphatech Hub Integrated Services Ltd.   **Abuja,Nigeria**
Frontend Dev, Intern   **July 2023 – September 2023**

- Working with HTML and CSS, performed a refresher in house course to ensure I still understood the basic concepts of web design.
- Learnt about Tailwind CSS and how to use it to improve development pace.
- Created a commissioned dashboard using react and tailwind

Network for Health Equity & Development   **Abuja,Nigeria**
                                                        July 2023 – September 2023

-
